

1. The RFP requires submission of the Affirmative Action Certificate. What should be done if vendor does not have an Affirmative Action certificate?
Appendix C, Section 2, Selection #3, provides for vendors plans to be submitted to the Commissioner of Human Rights before the submittal due date in order to be included for consideration in the RFP evaluation.
2. Where will the walk-through on 3/20 start?
The Walk Through will begin at 8am on March 20, 2015 at the following address:
Hennepin County Government Center
300 South Sixth Street
Minneapolis, MN 55487
A Tower, Conference Room 1725

Please RSVP to the Project Manager the name and number of attendee's by 3/16/2015
Please also indicate if any service accommodations are required. The Walk Through will cover some distance between buildings (approximately 2 miles), please dress accordingly.
Access to each building will require security screening; dress accordingly. Any items to be left behind can be stored in a secure space in the Government Center.
3. When will floorplans be available for each location?
Floor plans will be provided at the time of the walk through. Note: Building owners are responsible for providing all cabling (electrical and data), so cable run calculations are not required. Cabling between installed devices are vendor responsibility.
4. Will you specify the size and mounting (wall or ceiling) for each display, or will you ask for the responders' recommendations?
We are looking for each vendor's recommendations.
5. Will you provide a Project Manager for the entire design and implementation, or should the responder provide project management for not only the responder elements of the project, but also interaction and management with user communities and your departmental project management?
The vendors should assign a project manager to oversee responder activities and to participate with the District's Project Leadership Team.
